

**Independent Auditors' Review Report on the Interim Condensed Financial Statements
for the 6 month period ended 30 June 2014**

To the Shareholders and Supervisory Board Elektrobudowa S.A.

1. We have reviewed the accompanying interim condensed financial statements of Elektrobudowa S.A. ('the Company') located in Katowice, at Porcelanowa 12, including the statement of financial position as at 30 June 2014, the statement of comprehensive income, the statement of changes in equity, the statement of cash flow for the period from 1 January 2014 to 30 June 2014 and other explanatory notes ('the interim condensed financial statements').
2. The Company's Management Board is responsible for the compliance of the accompanying interim condensed financial statements with International Financial Reporting Standard IAS 34 "Interim financial reporting" as adopted by the European Union ('IAS 34'). Our responsibility was to issue a report on these interim condensed financial statements, based on our review.
3. We conducted our review in accordance with the provisions of the law binding in Poland and national auditing standards issued by the National Council of Statutory Auditors in Poland. These standards require that we plan and perform our review to obtain moderate assurance as to whether the financial statements are free of material misstatement. The review was mainly based on applying analytical procedures to the financial data, inspection of accounting records and discussions with the management of the Company as well as its employees. The scope¹ of a review differs significantly from an audit of financial statements, the objective of which is to express an opinion on whether financial statements comply with the required applicable accounting policies, and on the truth and fairness² of these financial statements. Consequently, the review does not enable us to obtain sufficient assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. The financial statements for the year ended 31 December 2013 were subject to an audit by an auditor acting for another authorized audit firm who issued an opinion, dated 20 March 2014, including an emphasis of matter paragraph relating to adjustment of an error and its impact on the comparative financial information presented in the financial statements.

² Translation of the following expression in Polish language: "rzetelności i jasności"

5. Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not in accordance, in all material respects, with IAS 34.
