Anti-trust proceedings

Following a dawn-raid in October 2011, on 30 March 2012 the Polish Office of Competition and Consumer Protection (the "OCCP") commenced proceedings against Kronospan Szczecinek Sp. z o.o., Kronospan Mielec sp. z o.o., Kronopol sp. z o.o., Pfleiderer Grajewo S.A. and Pfleiderer Prospan S.A., regarding possible horizontal price fixing and exchange of information on conditions of sale in the chipboard and fibreboard markets in Poland, which may constitute breaches of Article 6 of the Act on Competition and Consumer Protection and Article 101(1)(a) of the Treaty on the Functioning of the European Union. At this stage, given the fact-intensive nature of the issues involved and the inherent uncertainty of such investigation, it is not possible to evaluate the outcome and potential financial consequences of this still pending and long-lasting investigation, management has determined that not all of the conditions have been met to require a provision for this matter. The maximum fines that the OCCP may impose on Pfleiderer Grajewo S.A. and/or Pfleiderer Prospan S.A. in these proceedings amount to 10% of their respective tax revenues in the year preceding the issuance of the infringement decision. The end date of the proceedings is still uncertain, however one cannot expect that the proceedings will be completed in 2015.

At the date of the publication of these condensed interim consolidated financial statements it is unclear whether OCCP will determine any breaches of Article 6 of the Act on Competition and Consumer Protection and Article 101(1)(a) of the Treaty on the Functioning of the European Union. Therefore as at 31 December 2014 (30 June 2015) no provision has been recognized by the Group in these condensed interim consolidated financial statements.
