**INFORMATION CIRCULAR
ANNUAL & SPECIAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON JULY 18, 2016**

GENERAL PROXY INFORMATION

This management information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Serinus Energy Inc. (the “**Corporation**”) for use at the annual & special general meeting (the “**Meeting**”) of holders (“**Shareholders**”) of common shares (“**Shares**”) of the Corporation, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual & Special General Meeting of Shareholders (“**Notice of Meeting**”) and in this Information Circular. The Meeting will be held on Monday, July 18, 2016 at 2:00 PM Mountain Daylight Time at the Calgary Petroleum Club, 319 5th Avenue SW, Calgary, Alberta, Canada. Unless otherwise stated, information contained in this Information Circular is given as of June 17, 2016 and all dollar amounts are in United States dollars.

Solicitation of Proxies by Management

The solicitation of proxies is made by, and on behalf of, the management of the Corporation. Solicitation of proxies will be primarily by mail, but may also be by telephone, facsimile, electronic or oral communication by the directors, officers and employees of the Corporation at no additional compensation. No remuneration will be paid to any person for the solicitation of proxies; provided, however, that the Corporation may pay prescribed fees to intermediaries for sending the Notice of Meeting, this Information Circular and the accompanying form of proxy to persons on whose behalf such intermediaries hold Shares. The cost of the solicitation of proxies will be borne by the Corporation.

Record Date

The Corporation has fixed the record date for the Meeting as June 13, 2016 (the “**Record Date**”). Only persons registered as Shareholders on the records of the Corporation at the close of business on the Record Date are entitled to receive notice of and to attend and vote at the Meeting or at any adjournment thereof. However, a transferee of Shares acquired after the Record Date may vote such Shares at the Meeting or any adjournment thereof if (a) the transferee produces a properly endorsed share certificate that evidences the transferee’s ownership of the transferred Shares or otherwise establishes to the satisfaction of the Corporation that the transferee owns the transferred Shares and (b) requests, not later than 10 days before the Meeting, that the transferee’s name be included on the list of Shareholders entitled to vote at the Meeting.

Appointment and Revocation of Proxies

Registered Shareholders may vote in person at the Meeting or they may appoint another person as their proxy to attend and vote in their place. **The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A Shareholder entitled to vote at the Meeting may appoint a person (who need not be a Shareholder) other than the individuals named in the accompanying form of proxy to represent the Shareholder at the Meeting by inserting the name of the desired representative in the blank space provided in the form of proxy or submitting another appropriate proxy.**

Duly completed forms of proxy must be received by Computershare Trust Company of Canada, Attention: Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1, by 2:00 PM Mountain Daylight Time, Thursday, July 14, 2016 or, if the Meeting is adjourned, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time for the holding of such adjourned meeting. A Shareholder who has submitted a proxy may revoke it at any time prior to the exercise of the proxy. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by the Shareholder’s attorney authorized in writing. If the Shareholder is a corporation, the proxy must be executed under its corporate seal or by an officer or attorney authorized in writing. A proxy must be deposited either at the head office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. Upon the deposit of the proxy, any previously granted proxy is revoked.

Beneficial Shareholders (as defined below) who wish to revoke their proxy must arrange for their intermediary or broker to revoke their proxy on their behalf within the time specified by their intermediary or broker.

The registered office of the Corporation is located at Suite 1500, 700 – 4th Avenue S.W., Calgary, Alberta, Canada, T2P 3J4. The Corporation maintains management offices in Calgary at the registered office address, in Dubai, United Arab Emirates at Suite 123, Al Shafar Investment Building, 3rd Interchange, Sheikh Zayed Road and in Poland at Nowogrodzka 18/29, 00-511 Warsaw.

The foregoing information regarding the appointment and revocation of proxies is generally applicable only to registered Shareholders, being persons recorded as holders of Shares on the register of Shareholders maintained by the Corporation. A significant number of persons who beneficially own Shares hold such Shares in a brokerage account or through some other intermediary. As a result, they will not be registered Shareholders and should refer to the information set forth below under the heading “*Notice to Beneficial Holders of Shares*”.

Exercise of Discretion by Proxyholders

On any vote that may be called for at the Meeting or any adjournment thereof, the proxyholder named in the accompanying form of proxy will vote or withhold from voting the appointing Shareholder’s Shares in accordance with the instructions of the appointing Shareholder. **In the absence of direction, such Shares will be voted FOR each of the matters referred to in the Notice of Meeting and in this Information Circular.**

The accompanying form of proxy also confers discretionary authority on the proxyholder to vote Shares and otherwise act in the proxyholder’s discretion with respect to any amendments or variations to matters identified in the Notice of Meeting and with respect to any other matters that may properly come before the Meeting or any adjournment thereof. As at the date of this Information Circular, management of the Corporation knows of no such amendments or variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting and in this Information Circular.

Signing of Proxy

An instrument appointing a proxyholder must be in writing and must be executed by the Shareholder or the Shareholder’s attorney authorized in writing. If the Shareholder is a corporation, the proxy must be executed under its corporate seal, or by an officer or attorney authorized in writing. Any proxy instrument executed by a person acting as attorney, executor, administrator, trustee or in any other representative capacity should indicate that person’s capacity following his or her signature and be accompanied by evidence of his or her qualification and authority to act.

Notice to Beneficial Holders of Shares

The following information is important to a Shareholder that beneficially owns Shares but does not appear on the records of the Corporation as the registered holder thereof (referred to in this Information Circular as a “**Beneficial Shareholder**”). Shares of non-registered Shareholders are typically registered in the name of a broker or other intermediary or in the name of a depository of which the intermediary is a participant, including the Polish National Depository for Securities (the “**NDS**”).

Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Shares will be recognized and acted upon at the Meeting.

Shares listed in an account statement provided to a Shareholder by a broker will, in most cases, not be registered in the Shareholder’s own name on the records of the Corporation. Such Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. The directors and officers of the Corporation do not know for whose benefit Shares registered in the name of brokers or their agents or nominees are held. Without specific instructions, a broker and its agents and nominees are prohibited from voting Shares on behalf of their clients. **Beneficial Shareholders should therefore ensure that instructions regarding**

the voting of their Shares are properly communicated to the appropriate person or that the Shares are duly registered in their name well in advance of the Meeting.

Canadian Beneficial Shareholders

In Canada, applicable regulatory policy requires brokers and other intermediaries holding Shares for others to seek voting instructions from Beneficial Shareholders in advance of shareholders meetings. The various brokers and other intermediaries have their own mailing and delivery procedures and provide their own return instructions to their clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. In some cases, a form of proxy or voting instruction form supplied to Beneficial Shareholders by their broker or other intermediary (or an agent or nominee of such broker or other intermediary) will be similar or even identical to the form of proxy furnished to registered Shareholders by the Corporation. However, the purpose of the form supplied by the broker or intermediary is limited to instructing the registered Shareholder (the broker, intermediary, agent or nominee) how to vote on behalf of the Beneficial Shareholder. The Corporation has made arrangements with its registrar and transfer agent, Computershare Trust Company of Canada (“**Computershare**”), to coordinate the mailing of voting instruction forms to the Beneficial Shareholders on behalf of such brokers or other intermediaries, with instructions thereon to return the forms to Computershare or to follow specified telephone or internet-based voting procedures. Computershare will then tabulate the results of all instructions received and provide the Corporation with appropriate instructions regarding the voting of the Shares of such Beneficial Shareholders to be represented at the Meeting. **Beneficial Shareholders cannot use the voting instruction form to vote their Shares directly at the Meeting. To have their Shares voted at the Meeting Beneficial Shareholders must return the voting instruction form to Computershare or complete the telephone or internet-based voting procedures well in advance of the Meeting.** Such voting may be done via telephone by calling 1-866-732-VOTE (8683) (toll free) or via the Internet at www.investorvote.com. If voting by either telephone or via the Internet, Beneficial Shareholders will be required to provide the control number located on the voting instruction form provided to them from Computershare before they are able to vote their Shares.

Beneficial Shareholders Whose Shares are Held Through NDS

Beneficial Shareholders whose Shares are held in a securities account maintained by a participant in the NDS should apply to the participant maintaining its securities account (*i.e.*, brokerage houses or depository banks) in which its Shares are recorded to provide it with additional information regarding the procedure to vote their Shares at the Meeting. In order to give voting instructions for the Meeting, the Beneficial Shareholder should request the brokerage house, or a custodian bank holding its investment account to which the Shares are credited, to provide it with a proxy statement and a voting ballot (which simultaneously serves as a proxy to vote at the Meeting). The participant in the NDS will need to request that the NDS provide the Meeting materials to satisfy the requests of such Beneficial Shareholders. The institutions responsible for distributing the voting materials and receiving voting instructions from the Beneficial Shareholders will vote on behalf of these Beneficial Shareholders based upon the voting instructions received. A Beneficial Shareholder that intends to vote will have to fill out the voting ballot and pass it to the brokerage house or the depository bank that maintains its investment account in which its Shares are recorded in advance of the Meeting, by the deadline specified by such broker or intermediary. Subsequently, such information will be forwarded to the NDS and the NDS will forward it through certain intermediaries to Computershare for aggregation with all other voting instructions provided to the Corporation for the Meeting.

General

Although Beneficial Shareholders will not be recognized directly at the Meeting for the purposes of voting Shares that are registered in the name of their broker or other intermediary (or an agent or nominee thereof), Beneficial Shareholders may attend the Meeting as proxyholder for the registered Shareholder and vote their Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker or other intermediary (or its agent or nominee) in accordance with the instructions provided by such broker or other intermediary (or agent or nominee) well in advance of the Meeting.

The Corporation is not using “notice-and-access” to send its proxy-related materials to the Shareholders, and paper copies of such materials will be sent to all Shareholders. The Corporation will send proxy-related materials directly to non-objecting Beneficial Shareholders. The Corporation does not intend to pay for intermediaries to deliver to

objecting Beneficial Shareholders the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* of National Instrument 54-101, and an objecting Beneficial Shareholder will not receive the materials unless its intermediary assumes the costs of delivery.

Beneficial Shareholders should contact their broker or other intermediary if they have any questions regarding the voting of Shares held through that broker or other intermediary.

All references to Shareholders in this Information Circular, the accompanying form of proxy and Notice of Meeting are to Shareholders of record as at the Record Date unless stated otherwise.

Quorum for the Meeting

At the Meeting, quorum will consist of two or more persons either present in person or represented by proxy and representing in the aggregate not less than 5% of the votes attached to all outstanding Shares.

VOTING SECURITIES AND PRINCIPAL HOLDERS

The Corporation is authorized to issue an unlimited number of Shares and an unlimited number of preferred shares, issuable in series. As at the date of this Information Circular, 78,629,941 Shares were issued and outstanding. At the Meeting, on a show of hands, each Shareholder present in person or represented by proxy and entitled to vote will have one vote and, on a poll or ballot, each Shareholder present in person or represented by proxy will have one vote for each Share of record. Except as otherwise set out in this Information Circular, only Shareholders of record on the Record Date will be entitled to vote their Shares at the Meeting.

When any Share is held jointly by several persons, any one of them may vote at the Meeting in person or by proxy in respect of such Share. However, if more than one owner of a jointly-held Share is present at the Meeting, in person or by proxy, and such Shareholders disagree as to any vote to be cast, the joint owner present or represented whose name appears first in the register of Shareholders is entitled to vote the jointly-held Share.

To the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to all of the issued and outstanding voting securities of the Corporation other than Kulczyk Investments S.A. (“**KI**”), which owns 39,909,606 Shares, representing approximately 50.77% of the issued and outstanding Shares.

As of the date of this Information Circular, the number of Shares that are owned, controlled or directed, directly or indirectly, by all directors and officers of the Corporation, as a group, including Shares owned by KI and by Pala Assets Holdings Limited, the second largest shareholder of the Corporation, is 46,894,305 Shares, representing approximately 59.64% of the issued and outstanding Shares.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no director or executive officer of the Corporation who has held the position at any time since the beginning of the Corporation’s last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting except as disclosed in this Information Circular.

These financial statements are also available on the Internet on the Corporation's profile maintained on the Canadian System for Electronic Document Analysis and Retrieval ("**SEDAR**") located at www.sedar.com and on the Corporation's website at www.serinusenergy.com. Additional Information Related to Voting Practices

The Toronto Stock Exchange (“**TSX**”) has adopted a policy which requires listed companies to disclose whether they have adopted a majority voting policy for the election of directors for non-contested meetings and, if not, explain (i) their practices for electing directors, and (ii) why they have not adopted such a policy. As at the date hereof, the Corporation does not have a majority voting policy for the election of directors for non-contested meetings, whereby if the number of securities withheld from voting for a particular director nominee exceeds the number of securities voted for the election of that director nominee, then such elected director would be expected to tender his or her resignation. Listed companies that are majority controlled are exempted from this policy. The Corporation is majority controlled given that KI owns approximately 50.77% of the issued and outstanding Shares of the Corporation, The Corporation is relying on this exemption for the 2015 year.

The Board, through its Compensation & Corporate Governance Committee, annually reviews as part of its mandate the Corporation’s governance systems and elects to adopt the policies and practices that are determined to be in the best interest of the Corporation and its Shareholders. The practice of the Corporation is to consider the directors elected in accordance with the applicable corporate law and securities law requirements to be duly elected directors. The Compensation & Corporate Governance Committee, in addition to its compensation and governance role, assumes a nominating function. For details regarding the committee’s nomination function, see “*Disclosure of Corporate Governance Practices – Nomination of Directors*”. In addition, the Corporation considers that its director nominees represent the appropriate set of individuals who are suitable for a well-balanced and competent Board. Given that the directors that were nominated at the May 20, 2015 annual meeting of shareholders received a significant majority of the votes cast at such meeting, the Compensation & Corporate Governance Committee has not elected to adopt a majority voting policy at the present time.

Compensation Discussion and Analysis

The compensation for executives of the Corporation is determined by the Board of the Corporation, with recommendations from the Compensation & Corporate Governance Committee, which is appointed by the Board of the Corporation. Included within the Compensation & Corporate Governance Committee’s mandate is a requirement to assist the Board in discharging its duties and responsibilities regarding officer and director compensation. The Compensation & Corporate Governance Committee’s purpose, composition, procedures, organization and duties and responsibilities are described in the Compensation & Corporate Governance Committee’s Terms of Reference adopted by the Board on December 21, 2006 and amended November 12, 2009, which is available on the Corporation’s website. Mr. Baros resigned from the Board and the Compensation & Corporate Governance Committee on March 16, 2016.

The Compensation & Corporate Governance Committee met once during 2015 to address matters arising from or related to its mandate.

To ensure that compensation is determined in a fair manner, the Corporation strives to have the Compensation & Corporate Governance Committee comprised of independent members of the board. During all of 2015 and up to

March 16, 2016 two of the three members of the Compensation & Corporate Governance Committee, being Mr. King and Mr. McVea, were independent directors. The third member, being Mr. Madnani up to May 20, 2015 and Mr. Baros, from May 20, 2015 to March 16, 2016, were both senior management personnel of KI, which owns approximately 50.77% of the issued and outstanding Shares, and, as such, are not considered to be independent for the purposes of Form 51-102F6. Neither Mr. Madnani nor Mr. Baros are an employee of the Corporation. As such, they were both considered by the Board to be independent of the management of the Corporation for the purposes of compensation related decisions.

The Corporation's executive compensation program is designed to ensure that executive compensation is (a) market competitive and therefore able to attract and retain qualified, experienced professionals; (b) internally equitable within the Corporation, so that individual and group performance is encouraged and appropriately rewarded; and (c) aligned with the strategic goals of the Corporation in achieving the Corporation's long-term growth strategy and delivering strong shareholder returns. The Compensation & Corporate Governance Committee reviews the compensation of executive officers on an annual basis. The Compensation & Corporate Governance Committee's determination of officer compensation is based on factors such as competitive forces, conditions in the international oil and gas industry and the performance of both the Corporation and the officer. The Compensation & Corporate Governance Committee does not have any formal policies or practices to determine base salaries and long term incentive plans, but in 2014 adopted a formal cash bonus plan, discussed below under the heading "*Annual Incentive Awards*". The Compensation & Corporate Governance Committee's process for determining executive compensation, other than the formal cash bonus plan, is simple and informal, and relies primarily on Compensation & Corporate Governance Committee discussion without any formal objectives, criteria and analysis. In addition, the Compensation & Corporate Governance Committee will, when necessary, retain the services of external compensation consultants to survey a peer group of companies of comparable size and scope of operations as measured by market capitalization, revenues, assets and number of employees that operate in the international energy sector.

Although reports produced by compensation consultants retained by the Corporation have, from time to time, compared the Corporation's positioning with respect to compensation against peer groups of companies, such peer groups have been considered by the Compensation & Corporate Governance Committee only on an informal basis and the Corporation's compensation program, including the compensation program for NEOs, has not formally adopted any benchmark of peer companies against which the Corporation's compensation is compared.

The Corporation's executive compensation for 2015 could have consisted of three distinct components:

- (a) base salary;
- (b) annual incentive awards, which typically consists of a cash bonus; and
- (c) long-term incentive plans, which consisted of grants of stock options.

No options were granted to any of the NEOs during the 2015 fiscal year. Any cash bonus paid to a NEO during that period relates to performance during the 2014 fiscal year.

Base Salary

The Compensation & Corporate Governance Committee holds the view that base salaries for executive officers should be set relative to peer companies and that a significant portion of total remuneration should be attached to performance.

Annual Incentive Awards

The Short Term Incentive Plan ("**STIP**") is designed to reward current year performance against annual objectives. Payout is determined based on a corporate performance factor and a personal performance factor, which are applied to an established percentage of salary. The target percentage of salary for Mr. Elliott, Mr. Graham and Mr. Holton was 50%, and for Ms. Heck and for Mr. LeBlanc was 40%. The maximum payout per year under the STIP is two times the target percentage amount. Assessment of performance is weighted 70% to corporate metrics and 30% to personal metrics.

The corporate performance factor ranges from zero to a multiple of two times target and is based on quantitative measures. For 2015, the quantitative measures related to the achievement of cash flow per share, reserves growth, debt to cash flow, operating costs per boe, G&A per boe and, production targets established in the 2015 Corporation budgets. Personal performance factors range between zero and a multiple of two times target and are dependent on the individual's performance against personal objectives. In May, 2016 bonuses related to performance in 2015 were paid to two NEOs, Ms. Heck and Mr. LeBlanc.

Long-Term Incentive Plans

Long-term incentives to executives presently consist of stock options that may be awarded from time to time. The Compensation & Corporate Governance Committee will review and assess the recommendations of management of the Corporation with respect to the award of stock options, based on such factors as individual and corporate performance, and market conditions. The Compensation & Corporate Governance Committee will also consider previous stock options awarded to a particular individual when considering new awards. During 2015, no stock options were awarded to the Named Executive Officers. See “*Outstanding Share-Based Awards and Option-Based Awards as at December 31, 2015 – NEOs*” below.

Performance Graph

On June 27, 2013, the Shares began trading on the Toronto Stock Exchange (“**TSX**”) under the symbol “**SEN**”. The Shares are also listed on the Warsaw Stock Exchange (“**WSE**”), also under the symbol “**SEN**”, where they have been trading since May 25, 2010. The following graph compares the cumulative total shareholder return on an initial investment of CAD\$100 in the Shares to relevant stock exchange indices (i) from January 1, 2011 to December 31, 2015 when the Shares traded on the WSE as compared to the Warsaw Stock Exchange Index (“**WIG Index**”); and (ii) June 27, 2013 until December 31, 2015 when the Shares also traded on the TSX as compared to the S&P/TSX Composite Index and the S&P/TSX Capped Energy Index (the “**TSX Index**”).

The following table compares the change in the cumulative Shareholder return on the Shares to (i) the cumulative total return of the WIG Index for the period beginning January 1, 2011 and ended December 31, 2015, assuming a \$100 investment was made on January 1, 2011, and (ii) the cumulative total return of the S&P TSX Composite Index and the S&P/TSX Capped Energy Index for the period beginning June 27, 2013 and ended December 31, 2015, assuming a \$100 investment was made on June 27, 2013.

	Cumulative Total Return	
	January 1, 2011	December 31, 2015
Serinus Energy Inc.	CAD\$100	CAD\$8.36
WIG Index	CAD\$100	CAD\$118.81

	Cumulative Total Return	
	June 27, 2013	December 31, 2015
Serinus Energy Inc.	CAD\$100	CAD\$14.29
S&P TSX Composite Index	CAD\$100	CAD\$108.36
S&P Capped Energy Index	CAD\$100	CAD\$66.79

The compensation philosophy of the Corporation has been that the Corporation's share price will not directly determine any aspect of an NEO's compensation. Accordingly, any correlation between the Corporation's share price and the compensation of the NEO's is indirect.

Option-based Awards

As noted above under "Long-Term Incentive Plans", stock options represent the Corporation's long-term incentive component of its compensation program and the recommendations by management with respect to the granting of same, as well as any proposed amendments to the stock option plan, are reviewed and assessed by the Compensation & Corporate Governance Committee. Options may be granted from time to time as the Corporation hires new executives, including Named Executive Officers, and other members of the Corporation's staff, and when compensation is reviewed by the Committee in order to rebalance the compensation package at various levels through the Corporation. This review is done at least annually. As noted above under "Long-Term Incentive Plans", when reviewing option grants, the Committee gives consideration to individual and corporate performance, and market conditions and also considers the number of options already granted to the individual and the available option "pool" remaining for new positions being contemplated by the Corporation.

Incentive Plan Awards

Stock Option Plan

The Corporation is proposing that the Shareholders approve the 2016 Stock Option Plan, which provides for the granting of stock options to directors, employees (including officers) and consultants of the Corporation or of any of its subsidiaries (“**Participants**”). The 2016 Stock Option Plan is intended to afford Participants an opportunity to obtain a proprietary interest in the Corporation by permitting them to purchase Shares and to aid in attracting as well as retaining and encouraging the continued involvement of such persons with the Corporation. The 2016 Stock Option Plan shall be administered by the board of the directors or, if appointed, a special committee of directors appointed from time to time by the Board of the Corporation (such committee, or if no such committee is appointed, the Board of the Corporation, is hereinafter referred to as the “**Committee**”).

Under the 2016 Stock Option Plan, the Committee may from time to time grant options to any Participant and shall designate the number of Shares to be optioned to each Participant. The aggregate number of Shares to be delivered upon the exercise of all options granted under the 2016 Stock Option Plan or under the 2013 Stock Option Plan shall not exceed the maximum number of Shares permitted under the rules of the TSX or the WSE or any regulatory body having jurisdiction shall not at any time exceed 10% of the Shares admitted to trading on the TSX or the WSE, as the case may be in the previous 12 months and the total number of Participants shall not be more than 100 in total.

The number of Shares subject to an option granted to a Participant shall be determined by the Committee subject to the following limitations:

- no Participant shall, within any 12 month period, be granted Options that are exercisable in the aggregate for a number of Shares that exceeds 5% of the issued and outstanding Shares (on a non-diluted basis) or exceeds the maximum number of Shares permitted by the TSX or the WSE, as the case may be, or any regulatory body having jurisdiction; and
- the aggregate number of Shares issued to “insiders” (as such term is defined in the TSX Company Manual) of the Corporation, within any 12 month period, and issuable to insiders of the Corporation, at any time, under the 2016 Stock Option Plan or when combined with any of the Corporation’s other security based compensation arrangements including the 2013 Stock Option Plan, shall not exceed 10% of the Corporation’s total issued and outstanding securities, respectively.

The exercise price of the Shares purchased pursuant to each option shall be determined by the Committee. The exercise price shall not be (i) less than the price permitted by the TSX or the WSE or any regulatory body having jurisdiction, or (ii) less than the volume weighted average trading price of the Shares on the TSX for the five trading days immediately preceding the date of grant. The Committee may, in its sole discretion, determine the time during which options shall vest and the method of vesting, or that no vesting restriction shall exist. The term of an option shall be a period of time fixed by the Committee, not to exceed ten years from the date the option is granted or such other maximum period permitted by the TSX or the WSE or any regulatory body having jurisdiction, provided that the option term shall be reduced with respect to any option regarding cessation as a director, employee or consultant of the Corporation or its subsidiary, or death of the Participant. Historically the Committee has fixed the term of options at five years from the date of grant. If applicable and if a Participant ceases to be a director, employee or consultant of the Corporation or its subsidiary for any reason (other than death), the Participant may, but only within 90 days after the Participant’s ceasing to be a director, employee or consultant, exercise the Participant’s option, but only to the extent that the Participant was entitled to exercise it at the date of such cessation. For greater certainty, any Participant who is deemed to be an employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an employee for the purposes of the 2016 Stock Option Plan. All rights, benefits and options accruing to any Participant in accordance with the terms and conditions of the 2016 Stock Option Plan are not transferable or assignable except in the case of the death of a Participant. In the event of the death of a Participant, the option(s) previously granted to such Participant shall be exercisable only within six months following the date of the death of the Participant or prior to the time of expiry of such option, whichever is earlier, and then only (a) by the person or persons to whom the Participant’s rights under the option shall pass by the Participant’s will or the laws of descent and distribution; and (b) if and to the extent that the Participant was entitled to exercise the option at the date of the Participant’s death.

The 2016 Stock Option Plan provides that appropriate adjustments in the number of Shares optioned and in the option price per Share, regarding options granted or to be granted, may be made by the Committee in its discretion to give effect to adjustments in the number of Shares resulting subsequent to the approval of the 2016 Stock Option Plan by the Committee from subdivisions, consolidations or reclassifications of the Shares, the payment of stock dividends by the Corporation or other relevant changes in the capital of the Corporation. No financial assistance is provided by the Corporation to Participants to exercise options granted pursuant to the 2016 Stock Option Plan. The 2016 Stock Option Plan does not currently grant the Corporation the right to transform an option into a stock appreciation right involving an issuance of securities from the Corporation's treasury.

Subject to the rules of the TSX and the WSE and any regulatory body having jurisdiction, the Board of the Corporation shall have the unfettered right at any time and from time to time to amend, rescind or terminate the 2016 Stock Option Plan as it shall deem advisable, without Shareholder approval, provided, however, that no such amendment, rescission or termination shall impair or change the rights and options theretofore granted under the Stock Option Plan without the prior written consent of the Participant or Participants affected.

As at the date hereof, options to acquire an aggregate of 508,000 Shares are currently outstanding, representing approximately 0.65% of the issued and outstanding Shares. All of these were granted pursuant to the stock option plan of the Corporation currently in effect which expires on June 27, 2016. Assuming approval of the 2016 Stock Option Plan at this Meeting, options to acquire an aggregate of 7,354,994 Shares would be available to be granted under the 2016 Stock Option Plan representing approximately 9.35% of the issued and outstanding Shares.

Financial Instruments

As part of the Corporation's Insider Trading Policy, Named Executive Officers and directors are prohibited from selling securities of the Corporation if they do not own or have not fully paid for the securities to be sold (short sales). In addition, Named Executive Officers and directors are prohibited from trading in options on the

Corporation's securities. Named Executive Officers and directors are not specifically prohibited from purchasing prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities (or options in respect thereof) granted as compensation or held, directly or indirectly but are discouraged from doing so. Trades of the Corporation's securities are to be for investment purposes only and not for short-range speculation and Named Executive Officers and directors are discouraged from frequent trading in the Corporation's securities.

Risk of Compensation Policies and Practices

The Board and the Compensation & Corporate Governance Committee have not formally considered the implications of the risks associated with the Corporation's compensation policies and practices. However, the Corporation's compensation practices give greater weight toward long-term incentives than short-term incentives with a view to mitigating the risk of encouraging short-term goals at the expense of long-term sustainability and the enhancement of shareholder value. The discretionary nature of the annual bonus awards and option grants are significant elements of the Corporation's compensation plans and provide the Board and the Compensation & Corporate Governance Committee with the ability to reward individual and corporate performance and individual behaviour that the Board and the Compensation & Corporate Governance Committee consider to be aligned with the best interest of the Corporation.

COMPENSATION OF DIRECTORS

The non-management directors of the Corporation are paid a retainer of CAD\$1,000 per month and CAD\$1,000 per board or committee meeting. The chairman of the Audit Committee receives an additional CAD\$3,000 per annum. Non-management directors do not receive any other direct compensation for their role as directors of the Corporation other than stock option grants from time to time. All reasonable expenses incurred by directors in their capacity as directors are paid by the Corporation. Management directors (Mr. Holton and Mr. Elliott) do not receive any compensation for acting as directors of the Corporation or for attending board or committee meetings. The Corporation maintains a director and officer liability insurance policy pursuant to which directors and officers are insured for liabilities which may arise from the conduct of their activities on behalf of the Corporation. The amount of the insurance is, in aggregate, CAD\$15,000,000 per year.

Board Mandate

A copy of the mandate for the Board of the Corporation is attached as Appendix "I" to this Information Circular.

Position Descriptions

In addition to the general position descriptions respecting the Chairman, Vice Chairman, President and Vice President offices of the Corporation established in the by-laws of the Corporation, the officers act under the direction of the board and in accordance with applicable law, including the ABCA.

The Corporation has terms of reference for the Chief Executive Officer, which set out his or her general and specific duties and responsibilities.

The duties and responsibilities of the chairs of the Corporation's committees are set out in the committees' terms of reference.

Orientation and Continuing Education

The board ensures that prospective candidates fully understand the role of the board and its committees and the contribution that individuals are expected to make. No formal continuing education measures are currently in place for the directors. However, all directors are encouraged to participate in educational opportunities for directors that are available through third parties.

Ethical Business Conduct

The board has adopted a Code of Business Conduct and Ethics (the "**Code**") for its directors, officers and employees which is designed to provide guidance on the conduct of the Corporation's business in accordance with high ethical standards. The Code provides that certain personnel of the Corporation may be asked to certify their review of, and compliance with, the Code from time to time. A hard copy of the Code may be requested by contacting R. Yaniv at the Corporation's Calgary office address.

In 2013, the Board adopted an Anti-Corruption Compliance Policy, which is intended to ensure that the Corporation and its majority owned subsidiaries do not receive an improper advantage in its business dealings and to ensure that all payments and expenses are properly recorded in the Corporation's financial books and records. The Anti-Corruption Compliance Policy confirms the Corporation's commitment to a zero tolerance of bribery or any other form of corrupt behaviour on the part of any member, director, officer or employee of the Corporation and any third party which conducts business with or on behalf of the Corporation.

In addition, the board believes that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation, the common law and the restrictions placed by applicable corporate and securities legislation on an individual director's participation in decisions of the board in which the director has an interest have been sufficient to ensure that the board operates independently of management and in the best interests of the Corporation.

Audit Committee

Details concerning the Audit Committee of the Corporation and external auditor service fees are contained in the Annual Information Form of the Corporation for the year ended December 31, 2015 under the heading "Audit Committee", as filed on the SEDAR website at www.sedar.com.

Nomination of Directors

All members of the board are cognizant of the potential need to identify prospective new board members. Due to the current size of the board and the fact that there are no mandatory terms or term limits, the Corporation expects that, in most circumstances, it will receive adequate notice to replace any current member of the board who should wish to retire. The Compensation & Corporate Governance Committee, as a part of its mandate, has the responsibility of identifying and recommending potential nominees and the majority of members of the Compensation & Corporate Governance Committee are independent directors.

Mandatory Retirement Age or Term Limits

While the Board does not have a policy which provides for a mandatory retirement age or limits the time in which a director can serve, the Board does regularly review its composition and expertise.

Diversity

Each year, the Compensation & Corporate Governance Committee reviews the general and specific criteria applicable to candidates to be considered for nomination to the Board. The Committee aims to maintain the composition of the Board in a way that provides the best mix of skill and experience to guide the Corporation's long-term strategy and ongoing business operations.

The Board has not adopted a written policy or set targets for identifying and nominating female directors or executive officers. When considering candidates to fill vacancies, the review takes into account diversity and personal characteristics such as age, gender, cultural and educational background in addition to ensuring the Board and executive management have the proper skills and experience to be effective.

Currently the Corporation has no female board members and 20% of executive officers (1 of 5 executive officers) are female.

Compensation

The Corporation has established a Compensation & Corporate Governance Committee, of which two of the three members, being Mr. King and Mr. McVea, are independent directors. The third member, Mr. Rędziniak, is a member of the Management Board of KI, which owns approximately 50.77% of the issued and outstanding Shares, and is independent of the management of the Corporation. With respect to compensation matters, the Compensation & Corporate Governance Committee considers the appropriate compensation for members of the board including the chairman of any committee of the board on an annual basis by evaluating general industry marketplace practices, the roles and responsibilities required by the members of the board and by benchmarking the compensation of board members in comparison with the compensation of suitable peer groups and makes recommendations to the board regarding same. The Compensation & Corporate Governance Committee's duties and responsibilities respecting compensation matters also include, but are not limited to, the following:

- (1) recommending for approval to the board the annual salary, bonus and other benefits, direct and indirect, of the Chief Executive Officer, with reference to corporate goals and objectives, and to approve compensation for all other designated officers of the Corporation after considering the recommendations of the Chief Executive Officer, all within the human resources and compensation policies and guidelines approved by the board;
- (2) establishing procedures to ensure that no individual is directly involved in deciding his or her own compensation;
- (3) implementing and administering human resources and compensation policies approved by the board concerning:
 - executive compensation, contracts, stock option and other incentive plans; and

STOCK OPTION PLAN

Purpose

The purpose of the Stock Option Plan (the "**Plan**") of Serinus Energy Inc. (the "**Corporation**"), is to advance the interests of the Corporation and its subsidiaries by encouraging the directors, employees or consultants of the Corporation and its subsidiaries and those who provide services to the Corporation to acquire shares in the Corporation thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with the additional incentive in their efforts on behalf of the Corporation and its subsidiaries in the conduct of their affairs.

Administration and Granting of Options

The Plan shall be administered by the Board of Directors of the Corporation (the "**Board**"), or if appointed by a special committee of directors appointed from time to time by the Board (such committee, or if no such committee is appointed, the Board, is hereinafter referred to as the "**Committee**") pursuant to rules of procedure fixed by the Board.

The Committee may from time to time grant options to purchase common shares (the "**Common Shares**") of the Corporation (the "**Options**") to any director, employee or consultant of the Corporation or its subsidiaries (the "**Participant**") and shall designate the number of Common Shares to be optioned to each Participant, provided that the total number of Common Shares to be optioned shall not exceed the number provided in Sections 3 and 4 hereof and the total number of Participants shall not be more than 100 in total. The judgment of the Committee in designating Participants and the extent of their participation in the Plan shall be final and conclusive; provided, however, that each designated Participant shall have the right not to participate in the Plan and any decision not to participate therein shall not affect the Participant's employment by or engagement with the Corporation.

Shares Subject to Plan

Subject to adjustment as provided in Section 15 hereof, the shares to be offered under the Plan shall consist of shares of the Corporation's authorized but unissued Common Shares. The aggregate number of Common Shares to be delivered upon the exercise of all Options granted under the Plan shall not exceed the maximum number of shares permitted under the rules of any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction. The aggregate number of Common Shares to be delivered upon the exercise of all Options granted under the Plan shall not at any time exceed 10% of the shares of the Corporation admitted to trading on a stock exchange in the previous 12 months. If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased Common Shares subject thereto shall again be available for the purpose of the Plan.

Number of Optioned Common Shares

The number of Common Shares subject to an Option granted to a Participant shall be determined by the Committee, subject to the following limitations:

upon the Corporation becoming listed on any stock exchange, no Participant shall, within any 12 month period, be granted Options that are exercisable in the aggregate for a number of Common Shares that exceeds 5% of the issued and outstanding Common Shares (on a non-diluted basis) or exceeds the maximum number of Common Shares permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction; and

the aggregate number of Common Shares issued to "insiders" (as such term is defined in the *Securities Act* (Alberta), or in the event the Common Shares are listed on the Toronto Stock Exchange (the "TSX"), as defined in the TSX Company Manual) of the Corporation, within any 12 month period, and issuable to insiders of the Corporation, at any time, under the Plan or when combined with all of the Corporation's other security based compensation arrangements, shall not exceed 10% of the Corporation's total issued and outstanding securities, respectively.

Vesting Requirements

The Committee may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist.

Maintenance of Sufficient Capital

The Corporation shall at all times during the term of the Plan reserve and keep available such numbers of Common Shares as will be sufficient to satisfy the requirements of the Plan.

Participation

The Committee shall determine to whom Options shall be granted. The terms and provisions of the respective Option agreements, the time or times at which such Options shall be granted, and the number of Common Shares to be subject to each Option. An individual who has been granted an Option may, if he is otherwise eligible, and if permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction, be granted an additional Option or Options if the Committee shall so determine.

Exercise Price

The exercise price of the Common Shares purchased pursuant to each Option shall be determined by the Committee. The exercise price shall be not less than the price permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction, provided that in the event the Common Shares are listed on the TSX, the exercise price shall not be less than the volume weighted average trading price of the Common Shares on the TSX for the five trading days immediately preceding the date of grant.

Duration of Option

Each Option and all rights thereunder shall be expressed to expire on the date set out in its respective Option agreement and shall be subject to earlier termination as provided in Sections 11 and 12 hereof.

Option Term, Consideration and Payment

The Option term shall be a period of time fixed by the Committee, not to exceed ten years from the date the Option is granted or such other maximum period permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction, provided that the Option term shall be reduced with respect to any Option as provided in Sections 11 and 12 hereof regarding cessation as a director, employee or consultant of the Corporation or its subsidiary, or death of the Participant.

except as set forth in Sections 11 and 12 hereof, no Option may be exercised unless the Participant is at the time of such exercise a director, employee or consultant of the Corporation or its subsidiaries.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Common Shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

Ceasing to be a Director, Employee or Consultant

If applicable and if a Participant ceases to be a director, employee or consultant of the Corporation or its subsidiary for any reason (other than death), the Participant may, but only within 90 days after the Participant's ceasing to be a director, employee or consultant, exercise the Participant's Option, but only to the extent that the Participant was entitled to exercise it at the date of such cessation. For greater certainty, any Participant who is deemed to be an employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an employee for the purposes of the Plan.

Options shall not be affected by any change of employment so long as the Participant continues to be employed by the Corporation or any of its subsidiaries or continues to be a director, employee or consultant of one of the foregoing.

Nothing contained in the Plan, or in any Option granted pursuant to the Plan, shall confer upon any Participant any right with respect to continuance as a director, employee or consultant of the Corporation or any subsidiary of the Corporation.

Death of Participant

In the event of the death of a Participant, the Option previously granted to him shall be exercisable only within six months following the date of the death of the Participant or prior to the time of expiry of such Option, whichever is earlier, and then only:

by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or the laws of descent and distribution; and

if and to the extent that the Participant was entitled to exercise the Option at the date of the Participant's death.

Rights of Optionee

No person entitled to exercise any Option granted under the Plan (an "**Optionee**") shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Common Shares issuable upon exercise of such Option until certificates representing such Common Shares have been issued and delivered.

Proceeds from Sale of Common Shares

The proceeds from the sale of Common Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine and direct.

Adjustments

Appropriate adjustments in the number of Common Shares optioned and in the option price per Common Share, regarding Options granted or to be granted may be made by the Committee in its discretion to give effect to adjustments in the number of Common Shares of the Corporation resulting subsequent to the approval of the Plan by the Committee from subdivisions, consolidations or reclassifications of the Common Shares of the Corporation, the payment of stock dividends by the Corporation or other relevant changes in the capital of the Corporation.

Transferability

All rights, benefits and Options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein. During the lifetime of a Participant any benefits, rights and Options may only be exercised by the Participant.

Amendment and Termination of Plan

Subject to the rules of any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction, the Board shall have the unfettered right at any time and from time to time to amend, rescind or terminate the Plan as it shall deem advisable, without shareholder approval, provided, however, that no such amendment, rescission or termination shall impair or change the rights and Options theretofore granted under the Plan without the prior written consent of the Participant or Participants affected.

Costs

The Corporation shall pay all costs of administering the Plan.

Necessary Approvals

The ability of a Participant to exercise the Options and the obligations of the Corporation to issue and deliver Common Shares in accordance with the Plan is subject to any approvals that may be required from the shareholders of the Corporation and any regulatory authority or stock

exchange having jurisdiction over the securities of the Corporation. If Common Shares cannot be issued to a Participant for whatever reason, the obligation of the Corporation to issue such Common Shares shall terminate and any Option exercise price paid to the Corporation will be returned to the Participant.

Prior Plans

The Plan shall entirely replace and supersede prior share option plans, if any, enacted by the Board or by the board of directors of any of its predecessor corporations.

Effective Date of Plan

The Plan has been adopted by the Board subject to the approval of any stock exchange on which the Common Shares of the Corporation are to be listed or other regulatory body having jurisdiction and, if so approved, the Plan shall become effective upon such approvals being obtained.
