### To the Shareholders and Supervisory Board Polski Koncern Naftowy S.A.

#### *Introduction*

We have reviewed the accompanying interim condensed financial statements of Polski Koncern Naftowy Orlen S.A. with its registered office in Płock, Chemików street no 7 is the Company, including statement of financial position prepared as at 30 June 2017, statement of profit and loss and other comprehensive income, statement of changes in equity, statement of cash flows for the 6 months period then ended and notes comprising a summary of significant accounting policies and other explanatory information.

Management Board of the Company is responsible for the preparation and fair presentation of these interim condensed financial statements in accordance with the International Financial Reporting Standards and the related interpretations published in the form of European Commission regulations. Our responsibility is to express a conclusion on this interim financial information based on our review.

#### *Scope of Review*

We conducted our review in accordance with National Auditing Standard 2410 in line with the wording of the International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" adopted by Resolution No. 2783/52/2015 of the National Council of Statutory Auditors of 10 February 2015 as amended. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements do not give, in all material respects, a true and fair view of the financial position of the Company as at 30 June 2017, and of its financial performance and its cash flows for the six months period then ended in accordance with the International Financial Reporting Standards and the related interpretations published in the form of European Commission regulations.
