

CV of the new member of the Management Board: Rokšana Ciurysek-Gedir

She has almost twenty years of professional experience in the financial sector, including more than 10 years of managerial experience.

She has worked at Credit Suisse as a Head of UK Team at UHNWI Emerging Europe, International Wealth Management since October 2016. In the years 2012-2016 she worked at Edmond de Rothschild London in a team that formed the Private Merchant Banking Department and then became the UHNW International Client Services Manager in the Private Banking and Corporate Banking area. In 2007-2009 she was responsible at JP Morgan International for sales in the CEE region in the area of development of derivatives markets. Between 2005 and 2007 she worked at Merrill Lynch International as Vice President responsible for the development of financial instruments and bond markets. From 1998 to 2003 she worked at the EBRD London in the Department of Treasury and the Department of Strategy.

By setting up the Polish City Club under the auspices of the Polish Embassy in London and producing a film commemorating Poles' contribution to the Battle of Britain, she actively promoted the positive image of Poland in Great Britain.

In 2008, she was awarded the Newsweek award for her contribution to the development of Polish-British relations.

In 2014, she was honored with the Young Global Leader Award by the Davos World Economic Forum.

Privately she is passionate about art and photography, both she creates and supports other artists.

She holds a Master's Degree in Engineering and Management from Gdansk University of Technology and CFA and is a member of the CFA Institute and the UK Society of Investment Professionals. She completed prestigious managerial courses at renowned Stanford Universities and Harvard.
