Management of the Bank is responsible for the preparation and presentation of these interim condensed separate financial statements in accordance with International Accounting Standard 34 *Interim Financial Reporting* as adopted by the European Union. Our responsibility is to express a conclusion on these interim condensed separate financial statements, based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* as adopted by the resolution dated 5 March 2018 of the National Council of Certified Auditors as the National Standard on Review 2410. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing or International Standards on Auditing and consequently does not enable us to obtain

assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed separate financial statements as at 30 June 2018 are not prepared, in all material respects, in accordance with International Accounting Standard 34 *Interim Financial Reporting* as adopted by the European Union, and
