

Budapest, 19 December 2018

Extension of credit facility agreement

MOL Plc. hereby notifies the market of the following:

The EUR 750 million revolving credit facility agreement, signed on 15 December 2017 with 5 years original maturity, was extended by one additional year with unchanged total commitments and margin levels. The new maturity of the facility is 15 December 2023.

The facility is arranged as a club-deal and can be further extended by one additional year.
