**Independent registered auditor's report
on the review of the interim condensed consolidated financial statements**

To Shareholders and the Supervisory Board of Santander Bank Polska S.A.

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Santander Bank Polska S.A. Group (hereinafter called *the Group*), having Santander Bank Polska S.A. as its parent company (hereinafter called *the Bank*), with its registered office in Warsaw, al. Jana Pawła II 17, comprising the condensed consolidated statement of financial position as at 30 June 2019 and the condensed consolidated income statement, the condensed consolidated statement of comprehensive income, the condensed consolidated statement of changes in equity, the condensed consolidated statement of cash flows for the period from 1 January to 30 June 2019 and additional notes to condensed consolidated financial statements.

Management of the Bank is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the International Financial Reporting Standards as adopted by the European Union related to interim financial reporting (IAS 34). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* as adopted by the National Council of Certified Auditors as the National Standard on Review Engagements 2410 with a resolution dated 5 March 2018. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
