Independent Auditor's Report

To the General Shareholders' Meeting and Supervisory Board of Arctic Paper S.A.

Report on the Audit of the Annual Consolidated Financial Statements

Opinion

We have audited the accompanying annual consolidated financial statements of Arctic Paper S.A. Group (the "Group"), whose parent entity is Arctic Paper S.A. (the „Parent Entity”), which comprise:

— the consolidated statement of financial position as at 31 December 2019,

and, for the period from 1 January to 31 December 2019:

- the consolidated statement of profit or loss;
- the consolidated statement of comprehensive income;
- the consolidated statement of changes in equity;
- the consolidated statement of cash flows;

and

- notes comprising a summary of significant accounting policies and other explanatory information

(the “consolidated financial statements”).

In our opinion, the accompanying consolidated financial statements of the Group:

- give a true and fair view of the consolidated financial position of the Group as at 31 December 2019 and of its consolidated financial performance and its consolidated cash flows for the financial year then ended in accordance with International Financial Reporting Standards, as adopted by the European Union (“IFRS EU”) and the adopted accounting policy;
- comply, in all material respects, with regard to form and content, with applicable laws and the provisions of the Parent Entity's articles of association.

Our audit opinion on the consolidated financial statements is consistent with our report to the Audit Committee dated 19 March 2020.

Basis for Opinion

We conducted our audit in accordance with:

- International Standards on Auditing as adopted by the National Council of Certified Auditors as National Standards on Auditing (the “NSA”); and
- the act on certified auditors, audit firms and public oversight dated 11 May 2017 (the “Act on certified auditors”); and
- regulation (EU) No 537/2014 of the European Parliament and of the Council of 16 April 2014 on specific requirements regarding statutory audit of public-interest

entities and repealing Commission Decision 2005/909/EC (the “EU Regulation”); and

- other applicable laws.

Our responsibilities under those regulations are further described in the Auditor’s Responsibility for the audit of the consolidated financial statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Ethics

We are independent of the Group in accordance with the Code of Ethics for Professional Accountants (“IFAC Code”) issued by the International Ethics Standards Board for Accountants as adopted by the resolutions of the National Council of Certified Auditors, as well as other independence and ethical requirements, applicable to audit

engagement in Poland. We have fulfilled all ethical responsibilities resulting from those requirements and IFAC Code. During our audit the key certified auditors and the audit firm remained independent of the Group in accordance with requirements of the Act on certified auditors and the EU Regulation.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. They are the most significant assessed risks of material misstatements, including those due to fraud, described below and we performed appropriate audit procedures to address these

matters. Key audit matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon we have summarised our response to those risks. We do not provide a separate opinion on these matters. We have determined the following key audit matters:

Impairment of cash generating unit

The carrying value of the Group’s property, plant and equipment and intangible assets presented in the consolidated financial statements amounted to PLN 1.018 million as at 31 December 2019.

The carrying value of property, plant and equipment and intangible assets of the cash generating unit Arctic paper Grycksbo AB as at 31 December 2019 amounted to PLN 45,2 million, net of an impairment allowance of PLN 287,6 million.

Refer to disclosures in the consolidated financial statements: Note 5 *Material values based on professional judgements and estimates*, Note 9 *Significant accounting policies*, Note 25 *Impairment test in respect of property, plant and equipment and intangible assets*.

<i>Key audit matter</i>	<i>Our response</i>
The Group withdrew one of the production lines from use in the pulp mill of Arctic Paper Grycksbo AB in Sweden. Furthermore, the financial results of the Arctic Paper Grycksbo AB cash generating unit (“CGU”) for 2019 are below those expected by the Management of the Group.	Our procedures included, among others: <ul style="list-style-type: none"> — understanding of the process relating to impairment testing of CGUs as well as related internal controls, — evaluation of compliance of the policy adopted by the Group with regards to

A recoverable amount of assets which do not generate cash flows independently from other assets is estimated based on the projected cash flows of the smallest cash-generating unit to which these assets belong.

As a result, as at 31 December 2019 the Group performed an impairment test in respect of the Arctic Paper Grycksbo AB cash generating unit.

The estimate of future cash flows requires the Group to apply a number of assumptions including those with respect to discount rate, exchange rates, expected prices of paper and pulp, as well as assumptions in respect of projected production volume, sales, operating expenses and long term assumptions regarding macroeconomic trends. These assumptions require significant subjective judgments and estimates which have a significant impact the consolidated financial statements.

Based on the above, we considered the impairment of the property, plant and equipment and intangible assets to be a key audit matter.

identification and impairments of investments in subsidiaries with respective financial reporting standards,

- evaluation of the quality of the Group's budgeting process by comparing previous budgets to their subsequent realization,
- with the support of our valuation specialists:
 - assessment of the macroeconomic assumptions including discount rate applied in the model by comparing them to publicly available data,
 - assessment of whether the discounted cash flows model complies with the requirements of the relevant financial reporting standards,
- assessment of significant assumptions applied in the impairment model, in particular related to sales, production levels and operating costs by comparing them to historical data of the cash-generating unit subject to impairment testing and with respect to projected prices of pulp to publicly available external forecasts,
- challenging significant assumptions by analysing sensitivity of the model to changes in significant assumptions and considering whether significant assumptions applied in the model indicate management bias.

Furthermore, we assessed the appropriateness and completeness of the disclosures in the consolidated financial statements in relation to the impairment of tangible and intangible fixed assets.

Responsibility of the Management Board and Supervisory Board of the Parent Entity for the consolidated financial statements

The Management Board of the Parent Entity is responsible for the preparation of consolidated financial statements that give a true and fair view in accordance with International Financial Reporting Standards, as adopted by the European Union, the adopted accounting policy, the applicable laws and the provisions of the Parent Entity's articles of association and for such internal control as the Management Board of the Parent Entity determines is necessary to enable the

preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Management Board of the Parent Entity is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management

Board of the Parent Entity either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

According to the accounting act dated 29 September 1994 (the "Accounting Act"), the Management Board and members of the

Supervisory Board of the Parent Entity are required to ensure that the consolidated financial statements are in compliance with the requirements set forth in the Accounting Act. Members of the Supervisory Board of the Parent Entity are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with NSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

The scope of audit does not include assurance on the future viability of the Group or on the efficiency or effectiveness with which the Management Board of the Parent Entity has conducted or will conduct the affairs of the Group.

As part of an audit in accordance with NSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control;

- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Board of the Parent Entity;
- conclude on the appropriateness of the Management Board of the Parent Entity's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report on the audit of the consolidated financial statements to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report on the audit of the consolidated financial statements. However, future events or conditions may cause the Group to cease to continue as a going concern;
- evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Audit Committee of the Parent Entity regarding, among other matters, the planned scope and timing of the

audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We provide the Audit Committee of the Parent Entity with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Audit Committee of the Parent Entity, we determine those matters that were of most significance in

Other information

The other information comprises the information included in the consolidated annual report of the Group, but does not include the

Responsibility of the Management Board and Supervisory Board

The Management Board of the Parent Entity is responsible for the Other information in accordance with applicable laws.

The Management Board and members of the Supervisory Board of the Parent Entity are required to ensure that the report on activities

Auditor's Responsibility

Our opinion on the consolidated financial statements does not cover the Other information.

In connection with our audit of the consolidated financial statements, our responsibility was to read the Other information and, in doing so, consider whether the Other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we performed, we conclude that there is a material misstatement in the Other information, we are required to report that fact.

In accordance with the Act on certified auditors our responsibility was to report if the Report on

Opinion on the Report on activities

Based on the work undertaken in the course of our audit of the consolidated financial statements, in our opinion, the accompanying Report on activities, in all material respects:

Opinion on the statement on corporate governance

the audit of the consolidated financial statements of the current reporting period and are therefore the key audit matters. We describe these matters in our auditors' report on the audit of the consolidated financial statements unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

consolidated financial statements and our auditor's report thereon (the "Other information").

of the Group for the year ended 31 December 2019 (the "Report on activities"), including the corporate governance statement which is a separate part of the Report on activities, are in compliance with the requirements set forth in the Accounting Act.

activities was prepared in accordance with applicable laws and the information given in the Report on activities is consistent with the consolidated financial statements.

Moreover, in accordance with the requirements of the Act on certified auditors our responsibility was to report whether the Group included in the statement on corporate governance information required by the applicable laws and regulations, and in relation to specific information indicated in these laws or regulations, to determine whether it complies with the applicable laws and whether it is consistent with the consolidated financial statements.

- has been prepared in accordance with applicable laws, and
- is consistent with the consolidated financial statements.

In our opinion, the corporate governance statement, which is a separate part of the Report on activities, includes the information required by paragraph 70 subparagraph 6 point 5 of the Decree of the Ministry of Finance dated 29 March 2018 on current and periodic information provided by issuers of securities and the conditions for recognition as equivalent of information required by the laws of a non-member state (the "decree").

Statement on Other information

Furthermore, based on our knowledge about the Group and its environment obtained in the audit of the consolidated financial statements,

Information about the statement on non-financial information

In accordance with the requirements of the Act on certified auditors, we report that the Group has prepared a separate report on non-financial information referred to in art. 55 paragraph 2c of the Accounting Act.

Furthermore, in our opinion, the information identified in paragraph 70 subparagraph 6 point 5 letter c-f, h and letter i of the decree, included in the corporate governance statement, in all material respects:

- has been prepared in accordance with applicable laws; and
- is consistent with the consolidated financial statements.

we have not identified material misstatements in the Report on activities and the Other information.

We have not performed any assurance procedures in relation to the separate report on non-financial information and, accordingly, we do not express any assurance conclusion thereon.

Report on other legal and regulatory requirements

Statement on services other than audit of the financial statements

To the best of our knowledge and belief, we did not provide prohibited non-audit services referred to in art. 5 paragraph 1 second subparagraph of the EU Regulation and art. 136 of the act on certified auditors.

Appointment of the audit firm

We have been appointed for the first time to audit the annual consolidated financial statements of the Group by resolution of

Supervisory Board dated 22 February 2018. Our period of total uninterrupted engagement is 2 years.
