Management Board of the Company is responsible for the preparation and presentation of these interim condensed financial statements in accordance with the International Accounting Standard 34 *Interim Financial Reporting* as adopted by the European Union. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* as adopted by the National Council of Certified Auditors as the National Standard on Review Engagements 2410. A review of interim condensed financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
