## **Launch of a new investment project**

The Board of Directors of ASTARTA Holding N.V. (the **Company**) informs that the Company launched an investment project to build Ukraine's largest bulk sugar storage facility with a total capacity of 60kt at the Narkevytsky Sugar Plant (the Khmelnytskyi region). The planned investment is c. USD14.6m.

Unique for Ukraine, technological solutions under the project will create optimal conditions for long-term storage of sugar and preservation of its original quality. Such warehouse will also allow optimising logistics costs, maintaining the high quality of the Company's products and selling it in alternative packaging.

The commissioning of the facility is scheduled for July 2023.
