RESOLUTION No. 5

Annual General Meeting of the Shareholders of
Globe Trade Centre Spółka Akcyjna (the "**Company**")
dated 21 June 2023

*on approval of the Management Board's proposal related to
the distribution of profit for the financial year 2022*

§ 1.

Pursuant to Article 395 § 2(2) of the Commercial Companies Code, the Annual General Meeting of the Shareholders of the Company resolves that the profit shown in the Company's financial statements for the financial year ending 31 December 2022 in the amount of PLN 108,934,000 (in words: one hundred eight million nine hundred thirty-four thousand zlotys) shall be transferred in full to the supplementary capital (*kapitał zapasowy*).

§ 2.

This resolution comes into force on the date of its adoption.

Justification:

The draft resolution concerns the distribution of the Company's profit for the financial year 2022. Pursuant to § 1 of the draft resolution, the amount of profit shown in the Company's financial statements for the financial year ending 31 December 2022 should be transferred in full to the supplementary capital (*kapitał zapasowy*) of the Company. Therefore, the amount of profit shown in the Company's financial statements for the financial year ending 31 December 2022 allocated to the supplementary fund will be available to finance capital expenditures and investments that may provide measurable benefits to the shareholders. In particular, apart from deploying the funds for the purposes of development of existing projects in its pipeline and acquisition of new projects, the Company may be required to make certain capital expenditures in order to maintain or increase the standard of some of the properties in its real estate portfolio, in particular in light of increasing expectations of the tenants in respect of environmental (ESG) requirements.

Additionally, the Management Board of the Company may, if it deems such appropriate, use the amount of the profit shown in the Company's financial statements for the financial year ending 31 December 2022 (all or part thereof) to finance the execution of the programme regarding the buy-back of the shares of the Company, provided that the relevant resolution of the general meeting of the shareholders of the Company authorising the Management Board to execute such programme is adopted, if and to the extent the Management Board decides to implement such buy-back programme.

of the Annual General Meeting of the Shareholders of
Globe Trade Centre S.A. (the “**Company**”)
dated 21 June 2023

regarding the adoption of the buy-back programme and the establishment of a reserve fund for the purposes of that programme

§ 1.

Acting pursuant to Article 393(6) in conjunction with Article 362 § 1 (8) of the Commercial Companies Code (the “**CCC**”), the annual general meeting of the shareholders of the Company (the “**General Meeting**”) consents and authorises the management board of the Company (the “**Management Board**”) to acquire the fully-paid for ordinary bearer shares in the Company (the “**Shares**”) on the terms as provided in § 2 – § 6 of this resolution (the “**Buy-back Programme**”).

§ 2.

The acquisition of the Shares under the Buy-back Programme shall be subject to the following terms and conditions:

1. the Company may acquire no more than 86,138,268 (in words: eighty-six million one hundred and thirty-eight thousand two hundred and sixty-eight) Shares that, on the date of the adoption of this resolution, represent no more than 15% of the share capital of the Company;
2. the price for the purchase of the Shares may not be lower than PLN 5.00 (in words: five zloty) per Share, and cannot be higher than PLN 7.00 (in words: seven zloty) per Share;
3. the Management Board shall be authorised to acquire the Shares on or before 30 June 2024;
4. the Shares will be acquired by the Company by way of:
 - a) the submission by the Company to all of the shareholders of a voluntary offer (one or more) to repurchase the Shares, whereas in the event that the number of tendered Shares in response to the offer submitted by the Company exceeds the above-mentioned limit, the Company shall be required to apply a proportional reduction of the shares tendered for sale by the shareholders of the Company, or
 - b) transactions concluded on or outside of the regulated market or in block transactions (taking into account the principle of equal treatment of shareholders), or
 - c) the acquisition of shares on the stock exchange market from an unspecified group of shareholders (blind orders); or
 - d) the terms and conditions specified in Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 supplementing Regulation (EU) No. 596/2014 of the European Parliament and of the Council with regards to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures; and
5. the Shares acquired by the Company under the Buy-back Programme may be redeemed or used for any purpose permitted by law.

§ 3.

The Management Board is authorised to determine other conditions for the acquisition of the Shares under the Buy-back Programme to the extent not regulated in this resolution or in any mandatory laws.

§ 4.

For the purposes of financing the acquisition of the Shares under the Buy-back Programme, in accordance with Article 14 section 1 and 2 of the Company's Articles of Association, Article 396 § 4 and 5 in conjunction with Article 362 § 2(3) and Article 348 § 1 of the CCC, the General Meeting resolves to establish reserve capital for the purposes of the Buy-back Programme and designated for the payment of the price of the Shares acquired by the Company under the Buy-back Programme and the coverage of the purchase costs.

For the purposes of financing the reserve capital referred to in the previous sentence, the amount of PLN 633,116,269.8 (in words: six hundred and thirty-three million one hundred and sixteen thousand two hundred and sixty-nine zlotys 80/100) shall be transferred from the Company's supplementary capital (to which all of the profit shown in the Company's financial statements for the financial year ending 31 December 2022 was transferred based on Resolution No. 5 of the Annual General Meeting of the Shareholders of the Company), i.e. from funds originating from the amount that, in accordance with Article 348 § 1 of the Commercial Companies Code, may be designated for distribution to the reserve capital established for the purpose of the execution of the Buy-back Programme. Consequently, the supplementary capital of the Company will be decreased by the value of the established reserve capital.

§ 5.

The Management Board may discontinue the Buy-back Programme prior to the term referred to in 2 or before all of the funds allotted for the acquisition of the Shares under the Buy-back Programme have been used, or may decide not to acquire the Shares either entirely or in part.

§ 6.

The Management Board shall be authorised to take any legal and other actions (*czynności faktyczne i prawne*) aimed at implementing the Buy-back Programme and acquiring the Shares in accordance with the terms of this resolution, including, specifically, determining the detailed terms of acquiring the Shares outside of the scope specified by this resolution.

§ 7.

This resolution shall come into force upon the adoption thereof.

Justification:

The draft resolution provides for the authorisation of the Management Board by the General Meeting of the Company to acquire treasury shares within the limits provided in the authorisation. From a corporate finance perspective, a share buyback is a more efficient way to return capital investment to shareholders than the payment of dividend.

As provided in the draft of the resolution, the Management Board will be authorised to acquire treasury shares on or before 30 June 2024 in a number that jointly represents no more than 15% of the Company's share capital and at a price of no less than PLN 5.00 and no more than PLN 7.00 per share. The acquisition of the treasury shares will be financed by an amount that may, pursuant to Article 348 §1 of the CCC, be designated for distribution among the shareholders, i.e. PLN 633,116,269.8 (in words: six hundred and thirty-three million one hundred and sixteen thousand two hundred and sixty-nine zlotys 80/100).

The draft resolution provides that the acquisition of the treasury shares may be made by way of: (i) the submission by the Company to all of the shareholders of a voluntary offer (one or more) to repurchase the Shares; (ii) the methods specified in Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 supplementing Regulation (EU) No. 596/2014 of the European Parliament and of the Council with regards to

regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures; (iii) transactions concluded on or outside of the regulated market or in block transactions (taking into account the principle of equal treatment of shareholders); or (iv) the acquisition of shares on the stock exchange market from an unspecified group of shareholders (blind orders).

The range within which the Management Board will be authorised to determine the price for the purchase of the treasury shares will allow the Management Board to respond to changing market conditions. The authorisation is granted to the Management Board to the extent that it is not regulated in this resolution or pursuant to any mandatory laws, in particular, in the CCC, Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (market abuse regulation) and repealing Directive 2003/6/EC of the European Parliament and of the Council and Commission Directives 2003/124/EC, 2003/125/EC and 2004/72/EC, and the Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures.

The Management Board will also be authorised to withdraw from the acquisition of shares, either entirely or in part. Such authorisation is required for the Management Board to be able to react to dynamically changing market conditions and to adapt to the future financial position of the Company.
