**Resolution No. ___/2024
of the Ordinary General Meeting of KGHM Polska Miedź S.A.
with its registered head office in Lubin dated 7 June 2024**

regarding: covering the loss for 2023

The Ordinary General Meeting of KGHM Polska Miedź S.A. following the review of the proposal of the Management Board of KGHM Polska Miedź S.A. on covering the loss for 2023 and after the earlier review of the assessment of the Supervisory Board of KGHM Polska Miedź S.A., resolves the following:

§ 1

The Ordinary General Meeting of KGHM Polska Miedź S.A. hereby resolves to cover the loss for 2023 of KGHM Polska Miedź S.A. in the amount of **PLN 1 153 112 535.90** from the reserve capital of KGHM Polska Miedź S.A.

§ 2

This resolution comes into force upon its adoption.

Justification

The financial statements of KGHM Polska Miedź S.A. for the financial year ended 31 December 2023 presented a loss for the period in the amount of PLN 1 153 million.

Pursuant to the International Financial Reporting Standards, selected assets require a periodical verification of their carrying amount, which in mining companies fluctuates alongside changes in prices of commodities and production assumptions.

The main reason for the negative financial result for the financial year 2023 was the necessity to recognise in the financial statements the results of the conducted tests for impairment of non-current production assets of KGHM Polska Miedź S.A. in the amount of PLN 3 771 million. The financial impact of the aforementioned tests is of a non-cash nature.

The reserve capital, presented in the financial statements of KGHM Polska Miedź S.A. for the financial year ended 31 December 2023, created from profit in accordance with the Company's statutes, amounts to PLN 27 466 million and allows covering the loss for the period presented in the financial statements of the Company for financial year 2023 and dividend payout.

The Supervisory Board of KGHM Polska Miedź S.A., in resolution No. 79/XI/24 dated 8 May 2024, positively evaluated the proposal of the Management Board for the General Meeting of the Company, which is presented in the resolution no. 214/XI/2024 dated 8 May 2024 on recommendation of the Management Board of KGHM Polska Miedź S.A. on covering the loss for the year 2023 and the dividend payout.

**Resolution No. ____/2024
of the Ordinary General Meeting of KGHM Polska Miedź S.A.
with its registered head office in Lubin dated 7 June 2024**

regarding: dividend payout from prior years' profit, setting the dividend date and the dividend payment date.

The Ordinary General Meeting of KGHM Polska Miedź S.A. following the review of the proposal of the Management Board of KGHM Polska Miedź S.A. on dividend payout from prior years' profit and after the earlier review of the assessment of the Supervisory Board of KGHM Polska Miedź S.A., resolves the following:

§ 1

1. The Ordinary General Meeting of KGHM Polska Miedź S.A. hereby resolves that a dividend for 2023 will be paid out to shareholders in the amount of PLN 300 000 000.00, representing PLN 1.50 per share.
2. Dividend for 2023 will be paid out from prior years' profit of KGHM Polska Miedź S.A.

§ 2

The Ordinary General Meeting of KGHM Polska Miedź S.A. hereby sets the following:

- 1) a dividend date at 28 June 2024,
- 2) a dividend payment date at 16 July 2024.

§ 3

This resolution comes into force upon its adoption.

Justification

The financial statements of KGHM Polska Miedź S.A. for the financial year ended 31 December 2023 presented a loss for the period in the amount of PLN 1 153 million, the main reason of which was the necessity to recognise in the financial statements the results of the conducted tests for impairment of non-current production assets of KGHM Polska Miedź S.A. in the amount of PLN 3 771 million. The financial impact of the aforementioned tests is of a non-cash nature.

When making a decision on the dividend in the amount of PLN 1.50, mainly the financial condition of the KGHM Polska Miedź S.A. Group and the amount of prior years' profit accumulated on the reserve capital were taken into account. The reserve capital, presented in the financial statements of KGHM Polska Miedź S.A. for the financial year

ended 31 December 2023, created from profit in accordance with the Company's statutes, amounts to PLN 27 466 million and allows covering the loss for the period presented in the financial statements of the Company for financial year 2023 and dividend payout.

The operating results for the first quarter of 2024 and the observable increase in prices of commodities from March 2024 improve the perspective of beating the budget targets for 2024.

The Supervisory Board of KGHM Polska Miedź S.A., in resolution No. 80/XI/24 dated 8 May 2024, positively evaluated the proposal of the Management Board for the General Meeting of the Company, which is presented in the resolution no. 214/XI/2024 dated 8 May 2024 on recommendation of the Management Board of KGHM Polska Miedź S.A. on covering the loss for the financial year 2023 and the dividend payout.

The Management Board of KGHM Polska Miedź S.A., in resolution no. 215/XI/2024 dated 8 May 2024 proposed that the General Meeting of the Company set the dividend date and the dividend payment date.
