**to cover the net loss of ENEA S.A. for the financial year covering the period from 1 January
2023 to 31 December 2023**

Acting pursuant to Article 395(2)(2) of the Commercial Company Code, the Ordinary General Meeting of ENEA S.A. hereby resolves as follows:

§ 1

The net loss of ENEA S.A. for the financial year from 1 January 2023 to 31 December 2023 in the amount of PLN 1,602,940 thousand will be covered from future earnings.

§ 2

This resolution shall enter into force when adopted.

Number of shares from which valid votes were cast	: ...
Percentage of these shares in the share capital	: ...
Total number of votes cast	: ...
Number of votes in favor	: ...
Number of votes against	: ...
Number of votes abstaining	: ...

This resolution will be adopted by open ballot.

Justification:

The adoption of this resolution constitutes the execution of the instruction contained in Article 395(2)(2) of the Commercial Company Code.

The standalone financial statements of ENEA S.A. for the financial year ended 31 December 2023 showed an operating loss of PLN 762,149 thousand (seven hundred sixty-two million one hundred forty-nine thousand Polish zloty) and a net loss of PLN 1,602,940 thousand (one billion six hundred two million nine hundred forty thousand Polish zloty).

The largest contributor to the operating loss was the restatement of the provision for loss, recognized in expenses, arising from the distribution fee rebate which was settled by ENEA S.A. acting as the offtaker of last resort in relation to electricity supplied to the grid by prosumers. The increase in the provision was aimed at reflecting the impact of anticipated future losses to be incurred in connection with the performance of comprehensive contracts entered into with prosumers whose microinstallations were connected to the grid by 31 March 2022.

In turn, the negative financial result for the financial year ended 31 December 2023, in addition to the operating loss, was mainly affected by the impairment of shares in subsidiaries. Based on the performed impairment tests, impairment was ascertained on the shares held by ENEA S.A. in ENEA Wytwarzanie Sp. z o.o., ENEA Elektrownia Połaniec S.A., ENEA Ciepło Sp. z o.o. and Lubelski Węgiel Bogdanka S.A. in the total amount of PLN 1,654,666 thousand, whereupon impairment losses were posted on the value of shares in the said companies in the standalone financial statements of ENEA S.A. for the financial year ended 31 December 2023, recognized in the profit and loss account

under “Change in impairment losses on shares in subsidiaries, associates and jointly controlled entities”.

An independent auditor audited the standalone financial statements of ENEA S.A. for the financial year ended 31 December 2023 and, on 17 April 2024, issued an unqualified opinion on the financial statements, stating that the standalone financial statements of ENEA S.A. for the financial year ended 31 December 2023 present in a reliable and clear manner the property and financial standing of the Company as at 31 December 2023, the financial result and the cash flows for the financial year ended on that day, that the said financial statements have been prepared in compliance with International Financial Reporting Standards, as endorsed by the European Union, that the said financial statements are in compliance with the provisions of law affecting the content of the standalone financial statements and the provisions of the Company’s Articles of Association, and that the said financial statements have been prepared on the basis of properly kept accounting ledgers.

By Resolution No. 56/XI/2024 of 13 May 2024, the ENEA S.A. Supervisory Board issued a positive opinion on the motion submitted by the Company’s Management Board regarding the proposed coverage of ENEA S.A.’s net loss for the period from 1 January 2023 to 31 December 2023 from future earnings and the recommendation to refrain from the disbursement of a dividend for the financial year from 1 January 2023 to 31 December 2023.

§ 1.

 - takes into account the market practices and the approach to remuneration, which ensures continuity of the Company's activities.
2. The solutions adopted in the Policy have been set forth in a manner that is to contribute to the implementation of the business strategy, long-term interests, stability and development of ENEA S.A., which should be supported in particular by the levels, rules and structure of remuneration of Management Board members and Supervisory Board members, while taking into consideration the current financial standing of ENEA S.A. when awarding such remuneration.
3. The key principle underlying the Policy is to ensure the competitive level and effectiveness of remuneration and its transparency depending on the achieved performance. The general Policy framework serves the purpose of ensuring consistency of remuneration components while keeping them aligned with risk management and the long-term strategy.
4. ENEA S.A. pays remuneration to the Management Board and Supervisory Board members in accordance with this Policy, taking into account the acts of the Company's statutory bodies exercising their powers based on generally applicable laws, including, in particular, the provisions of the Act of 9 June 2016 on the Rules for Remunerating Persons Heading Certain Companies.
5. The Policy was adopted while taking into account the financial standing of ENEA S.A.

CHAPTER 2. Description of the decision-making process conducted to establish, implement and review the remuneration policy.

§ 1.

1. The draft Policy is prepared by the Management Board and submitted to the Supervisory Board for an opinion and possible changes. Subsequently, the Management Board presents the draft Policy prepared by the Management Board and opined by the Supervisory Board to the General Meeting.

3. The final version of the Policy will be adopted by the General Meeting in a resolution.
4. A Policy resolution will be adopted no less frequently than every four years.

5. An amendment to the Policy requires that it is adopted in a General Meeting resolution.
6. Where there is a need to amend the Policy within a period shorter than four years from the adoption of the most recent amendment, the Management Board will draw up the amendment proposal and submit the draft to the Supervisory Board for its opinion and possible changes.
