

Scott Dwyer – Board Bio

Scott brings over 25 years of senior leadership and directorial experience both within CEE and Europe with expertise across all aspects of real estate.

He served in the executive and investment committees for Unibail Rodamco Westfield (URW), Heitman International, ING Real Estate Development, Atrium European Real Estate and currently the Investment Committee for Triple-B.

During his time in Europe, he has scaled the URW CEE platform from €800m to over €3 billion, managed a €2 billion workout of Heitman's legacy funds, restructured ING Real Estate's development exposure during the GFC, transformed the Atrium asset base to an institutional grade portfolio and currently building and managing the Triple-B real estate portfolio.

Main areas of expertise are Structure/Restructure delivery, Portfolio Management, Asset Management and Development execution.
